

## MEMORANDUM

March 9, 2015

From: Lieutenant John Luther

To: Diamondhead City Manager  
(Mr. Clovis Reed)

Subj: Door-to-Door Solicitation

Mr. Reed:

I recommend Diamondhead City Council consult with the city attorney with regard to door-to-door solicitation.

An ordinance which requires an individual or business to obtain a permit or a license from the city *prior to* door-to-door solicitation inside the city limits will allow city officials to determine the legitimacy of said business.

Respectfully,

  
John Luther
